The mission of the Lighthouse is to provide persons who are visually impaired and blind with the skills needed to achieve their maximum independence.

Welcome to the Lighthouse
There are over 25,000 visually impaired persons living in Pasco, Hernando and Citrus Counties.

The Lighthouse provides vision rehabilitation programs and services to visually impaired persons of all ages, from babies to seniors.

Lighthouse training programs are designed to help people living with vision impairment meet the challenge of vision loss and lead safe, independent and productive lives.

Lighthouse Programs & Services

Adults & Seniors Programs

Adaptive Independent Living Skills Training and Adjustment to Vision Loss Counseling

The Lighthouse uses a comprehensive curriculum that is individualized and includes developing skills in safe meal preparation, housekeeping, medication management, magnification devices, fall prevention, white cane/safe movement, braille, computer, assistive technology and much more. Please ask about Lighthouse social activities and support groups.

Vocational Rehabilitation, Job Readiness and Employment Programs

Adults referred by the Florida Division of Blind Services who are interested in working receive training in adapted daily living skills, use of computers and assistive technology, orientation & mobility (safe movement), job readiness training, counseling and job placement services.

Babies & Teens Programs

Early Intervention (birth to 5 years of age)

The Early Intervention Blind Babies Program works with parents, babies and young children on areas that include sensory development, concept development and adaptive skills, so babies are able to meet their developmental milestones.

Teen Transition–School to Work Program (14-22 years of age)

Teens participate in activities and training that develop essential skills for “transitioning” into adult life, employment and higher education. Training in employability skills, daily living skills, computers and technology, orientation & mobility, recreation and social activities is provided year round and in an intensive 5-week summer program. Please ask about Lighthouse children’s services.

Ways You Can Help

- Donate
- Volunteer
- Join the “Friends of the Lighthouse” Annual Giving Program
- Join the “Lighthouse Legacy Society” by making a planned gift

For more information on ways you can help, please visit: www.lvib.org/help

All donations are used to help people who are visually impaired and blind living in the community where the funds are received.
